## Shower with Confidence

**Protect your dressings while you wash** – comfortably, safely, and completely waterproof.

If you're managing a wound, healing from surgery, or wearing a cast – **showering can be stressful.**

**SEALCUFF®** offers the solution. Designed for comfort and peace of mind, this reusable waterproof cover helps you:

- **Protect** your dressings, casts, and PICC lines
- **Maintain hygiene** and comfort **during recovery**
- **Avoid getting your bandages wet** – no need to use plastic bags again!
